

## **Bible Lesson using chocolate bundt cake:**

God is able to blend the good and the bad experiences in our lives together for our good. All together they create a life that is meaningful, useful, and tasty!

Romans 8:28 is a beautiful promise: *"God causes all things to work together for good to those who love Him and are called according to His good purpose."*

*Discuss more in detail how God has used some negative or tough times in your own life to bring about good.*

*The Bible is also full of some great examples!*

*Joseph - If he had not been sold into slavery, he may not have later been in the position where he could save his family from a famine.*

*Esther - "For such a time as this" God used Esther to save the Hebrew people from being killed.*

No - all things are not good, but in God's hands they can be mixed and blended along with the good into a beautiful creation. It's during the bad times that we see how BIG our God is. He loves each of us and He is in control; we can trust Him!

Now let's bake a cake. 😊
