

REBUILD

NEHEMIAH 2:18

AND THEY SAID, "LET US RISE UP AND BUILD."

SO THEY STRENGTHENED THEIR HANDS FOR THE WORK OF GOD.

PHASE TWO AMENDED - BEGINS JULY 26TH

A PLAN TO REBUILD

Christ Covenant,

2020 will be a year none of us will ever forget! It has been quite a year, hasn't it? One thing I know is that God is faithful, and He will continue to be during these times.

I am so thankful and proud to be your Pastor. Although this pandemic season has been stressful and exhausting, it has been a privilege to watch God work through you. I have been encouraged with how well our Worship Services and Online Services have gone. Thanks to all of you who have helped make this happen! I love to hear how you have been using creative ways to follow up and serve one another as well as our community. It's times like these where the Church shines its brightest, and you have proven time and time again your love for Jesus, His people, and our Community. Thank you!

The Leadership of Christ Covenant have been praying and working diligently on Phase Two of our Rebuilding Plan. We believe it is time to move forward with our plans. You will see in this plan that the only two main differences between Phase One and Phase Two are that we will open the office during the week along with a fully supported staff, and we will begin to allow groups to meet on-site on Sunday mornings and during the week with the expectation that everyone follows the health safety guidelines we have established.

Please continue to keep in mind that this plan is a plan that can be amended. We are all living by the motto of "Semper Gumby" ("Always Flexible"). As things continue to morph and change, we will inform you of these changes.

Please continue to pray that God will wipe this virus clean, and that He will bring revival to His people.

In Christ Jesus,
Seth Hammond
