

The requirements, recommendations, and guidelines below are an effort to comply with governing authorities, follow best practices recommended by public health agencies, and care for others. These precautions should be viewed as an opportunity to put others before ourselves (Phil 2:4-11) as members of the body of Christ (1 Cor. 12:27). By making each service as safe as possible, adjusted for indoor or outdoor context, it is our hope that all congregants, regardless of risk, would be safe at any one of them.

If any of the following are true, please stay home and join our 10:15 worship service remotely:

- You are experiencing [symptoms](#) of fever, cough, chills, sore throat, shortness of breath/difficulty breathing, fatigue, muscle or body aches, headache, congestion or runny nose, nausea or vomiting, diarrhea or new loss of taste or smell.
- You have tested positive for COVID in the last 14 days and do not have a more recent negative test.
- You have recently been exposed to someone that has been diagnosed with COVID.
- You have traveled internationally in the last 14 days.

Residents of [Cook County fall under the municipal recommendation of a 14-day self-quarantine for anyone traveling from a hot-spot state.](#)

Indoor Services
