

# 500 YEARS HERE WE STAND

October 2017 marks the 500th anniversary of Martin Luther nailing his 95 Theses to the door in Wittenberg, Germany. This act jump-started the Reformation and spread the Good News far and wide that God saves sinners by grace alone through faith alone for the sake of Christ alone. This gives us great cause for both celebration and proclamation.

Join us as we dive into the history of this great turning point.
