# **A FAITH THAT WORKS**

(Summary of James; Summer 2020; Christ Proclamation Church; Steve Thiel)

## **Background of James (Who wrote it, when, where, and to whom?)**

The book appears to be written by James, the half-brother of Jesus and leader of the Jerusalem church (Acts 15:13-21) sometime before the Jerusalem Council; written to Jewish believers dispersed from Jerusalem due to persecution (Acts 8:1-4, 11:19).

## **Occasion of James (What prompted James to write this letter?)**

The persecution and displacement of Jewish believers seems to have caused a host of problems including impartiality between rich and poor and general worldliness.

## **Purpose of James (What did James hope to accomplish?)**

The purpose of James' letter is to encourage believers to persevere in the midst of trials and to clarify that true faith doesn't just hear but practices the Word of God.

## **Theme of James (What is the letter about?)**

True faith in Christ works itself out in every area of life, even in midst of trials, persevering in actions, attitudes, speech and relationships, causing believers to not only hear the Word, but practice the Word, for their good and God's eternal glory!
