Wrap-up: Will City Light Church choose to be a church of the miraculous? Will we see a miracle of growth? Will there be a miracle that would energize its ministry? Will a miracle of empowered witness be ours?. Will we model divine imperatives and proclaim a transforming message? There is a price to pay in order to be that kind of church. It won't be realized with casualness or carelessness. It calls us to be All IN for Jesus, our Messiah. Ask God to enable you to be part of the Church of the Miraculous today.
