

Devotional for Worship

Hebrews 8:7–13

1. Read the following texts and list what God desired from Israel under the old covenant.

Deuteronomy 4:29

Deuteronomy 6:4–6

2. From your recollection of the sermon, what was the problem with the old covenant? (*Answer: The problem was the people, not the covenant. Most old covenant believers were disobedient.*)

How did God address this problem in his new covenant promises?

3. Pastor Brent described gifts that children receive at Christmas. What was the point of that story? (*Answer: Some promises are better than others. Any promise that is connected to Jesus is better!*)
4. Read through Hebrews 8:10–12. What's your favorite promise from God in this text and how can that promise affect the way you live this week?
5. How is the COVID-19 crisis revealing to you where your security or fulfillment is? What does it look like to find security and fulfillment in Jesus right now?
