## FOR AROUND THE TABLE

### Pray and Prevail

**Exodus 17:8-16**

**07.26.20**

*This week, to ask our questions, we have an illustration to help bring these concepts to life for your kids. For some extra insight on this illustration, listen to our podcast [here!](#)*

#### **What you need:**

A log or something similar

#### **What to do:**

Have your kids hold the log over their head for as long as they can.

When their hands start to shake, have someone from your family support each of their arms.

Now that their arms are supported, ask the question: *How much longer do you think you can hold this now?"*

**Lesson:** We are better together! God brought us together for a reason. Never forget you have a family to support you!

#### **What to ask:**

- 1) Is there something in your life where you are stuck— what is the “log” that you are holding alone right now?
- 2) How can we help?
