### Pray and Prevail

**Exodus 17:8-16**

**07.26.20**

- 1) Reread Exodus 17:8-13. Here we see Israel in a battle - a very difficult battle. When you fight your own day-to-day “battles”, do you trust the Lord for your victories or do you fight on your own and just hope it works out? What does Zephaniah 3:17 say? Consider re-reading this verse and meditating upon it. How might the truth of this verse impact your perspective on the day-to-day struggles you face?
- 2) Pastor Ronn explains that Moses was an intercessor for the nation of Israel, pleading with God for success and victory. Do you underestimate the power of prayer, considering it a last resort when you can’t “do” anything else or do you recognize it as a powerful opportunity to alter attitudes and circumstances?
- 3) Moses could not keep his staff raised on his own - he needed help. Moses, the mighty leader of the nation of Israel, needed help! Who do you have in your life to pray for you and intercede on your behalf in your struggle? Who are YOU interceding for?
- 4) Read Exodus 17:14-16. What was significant about the altar that Moses built and the name he gave to it?
- 5) What does “The Lord is my Banner” mean? How can you live that out this week? How can this protect us from “getting stuck”?
