**INVESTING TO ADVANCE**

A central hub to advance the mission of God across Merseyside

By God's grace Cornerstone Liverpool has outgrown its current building and we have reached the point where this has become a hindrance to the ministry of the church.

Throughout the past two years the Elders and trustees have been trying to find an alternate venue across L18 to solve this problem.

The churches in the Cornerstone Collective want to take a step of faith to raise funds that would allow us to make an offer on **Dovedale Baptist Church** that recently came on the market.

Purchasing Dovedale would create space for us to grow and this building would become a central hub that would fuel church planting and multiplication. It serves our desire to grow, plant more churches and reach more people across Merseyside.

## STAGE ONE

We need to raise £145,000 that would allow us to make an offer to purchase Dovedale Baptist Church. We are asking members of the Churches in the Cornerstone Collective to give towards this essential project.

We are also putting Ramilies Road Hall on the market as we look to raise the funds needed to purchase and start the restoration of this building. Ramilies Road Hall would only be sold if we were able to acquire Dovedale Baptist Church but we need to move quickly as there are several interested parties already.

We continue to explore a number of avenues and opportunities to raise this money externally but it's appropriate that we approach covenant members first as we attempt to raise the funds in such a short time frame. Please pray and consider giving or pledging!

## HOW CAN YOU SUPPORT THIS PROJECT?

### PRAY:

- Pray that God would lead and guide us as we take this step of faith
- Pray that we would raise the funds needed to purchase Dovedale Baptist Church
- Pray for God's favour as we look to make an offer to purchase Dovedale Baptist Church
- Pray for the ongoing mission of the Churches in the Cornerstone Collective, for growth, multiplication and Church planting.

### GIVE:

We are calling the members of our churches to give towards the purchase and restoration of this building. Can you give financially? Will you pledge to give?

To pledge to give or to find ways to give visit
