### GOING DEEPER QUESTIONS (LIFE GROUP)

- What stood out to you about this message and why?
- Looking at the first Generation of Conquest, we see God speaking to Moses as he led the people. Why did that generation and leadership fail to enter the Promised Land / Rest? How important is submission to God in our relationship with Him? **(Point I)**
- Considering the second Generation of Conquest led by Joshua we see the same dynamic- God speaks to Joshua, Joshua leads the people. But this time, we see the people and leadership submitting to God. Was it easier for this generation to trust and obey? In comparison, does your walk with God look like the first or second Generation? **(Point II)**
- Why do we struggle to fear change or failure? God's words to Joshua were preparing him and Israel for a transition. It's ok to have plans; but are we walking and trusting God more than our agendas? Are we ok when God tells us *that's enough, move on* or *let go*? Would you be ok if God said right now, *my child, come home*? **(Point III)**
- As we consider the end of the story from Revelation, *how does this motivate you personally to live out Philippians 3:12-4:1*? **(Point IV)**

## NOTES (PERSONAL)

### Introduction

(Joshua 11:1-23 RECAP)

After facing the incredible size and strength of the *Northern Alliance*, the strongholds of Canaan have fallen. The Campaign of Israel on a National level has come to an end.

The land now has a period of Rest from war as the people remember the journey God has led them on up to this point.

---

*“And someone said to him, ‘Lord, will those who are saved be few?’ And he said to them, ‘Strive to enter through the narrow door. For many, I tell you, will seek to enter and will not be able.’”*

-Jesus

(Luke 13:23-24)

  - Leadership -> **Numbers 20:1-29** (Disobedience)

### **II. Second Generation (Joshua 12:7-24)**
