

Be a gospel community that saves

Points to consider:

- 1 - Are you wandering?
- 2 - Is there someone you can rescue?
- 3 - The power of the gospel to save

#1 :

“If what you need to know is “I am with you right now. I am your refuge in this affliction,” then you may well go hungry if you are given “I died for your sins once and for all.” You might beat up on yourself for your lack of faith, or you might go cold to God because a message that claimed it would help you doesn’t seem to touch your need for help. In the long run, a single truth harped on will disappoint even its devotees. In another season of life, facing a different struggle, they too will need the other kinds of help. What once sizzled becomes boring, a repetitive pat answer that no longer delivers.”

For the time is coming when people will not endure sound teaching, but having itching ears they will accumulate for themselves teachers to suit their own passions, and will turn away from listening to the truth and wander off into myths.
