

For Personal Reflection & Group Discussion

From **Romans 1:24-27**. Use the back of this sheet to continue your answers.

For thought and discussion:

1. Make sure you understand how verse 26 works. In this verse what did God give these people up to? Why did he do this (what is the reason from verse 25)?
2. Describe the difference between being tempted to a sin and the act of sinning? Consider Paul's continuation of sinful attitudes and actions listed in verses 29-31 as you answer.
3. Since verses 16-17 teach that the gospel is saving power for those who believe, list several ways believers can encourage unbelievers towards faith in Christ? Further, list several ways believers can encourage each other's faith in the face of any kind of sexual temptation.

To-Do List:

1. Assignment: How should the following scriptures shape our attitude towards believers who struggle with same-sex attraction or any other temptation? 1 John 1:8-10; Romans 3:10; Ecclesiastes 7:20; James 2:10; James 3:2; Galatians 6:1-3.
2. If you or someone you love struggles with Same-Sex Attraction you do not have to struggle alone. Tell someone you trust (family or friend or an elder). The elders are available in the library after the services or by emailing elders@countrybible.net.
