

Covenant Groups Sermon Questions
Based on The Sermon from March 10, 2019
Philippians 1:12-18

1. Discuss how God used adversity in Paul's life (1:12-14) and how He uses adversity today in the lives of his people to advance the Gospel.
2. The gospel is primarily advanced through "speak[ing] the Word" (v. 14) and "preach[ing] Christ" (v. 15). What are the two motives for preaching Christ Paul cites in verses 15-17? Describe them and discuss if and how they relate to our day.
3. What does Paul teach (this is his point in this passage) in verse 18? How should this convict us and encourage us?

Manuscripts are available for leaders upon request.
