Updated Mask Policy at CPC

Good morning CPC Congregation! As many of you know, the New Haven mask policy has changed as of 3/7/22. Consistent with it, masks will now be optional at CPC for everyone regardless of vaccination status (including children). The Downstairs Sanctuary is reserved for those who would like to wear a mask during Sunday worship (you may also choose to wear one upstairs of course). In the spirit of Christian charity, please respect each others' choices and each others' safety in the event that you are experiencing symptoms.

If you have any questions, or need anything, please feel free to reach out to any of our Shepherd Leaders.
