Updated Covid Protocols

From: Christ Presbyterian Church

Dear CPC Church Family,

With [the most recent advice from the CDC](#) and the subsequent [lifting of many restrictions by the Governor's Office](#) as of 5/19/21, our Shepherd Leaders have decided to make the following updates to our Covid-19 related protocols effective immediately:

Worship

- Return to unrestricted distribution of Lord's Supper (no more plastic cups). Those who prepare communion must wear mask and gloves.
- End the zoom option during worship, and only livestream the service over YouTube.

Outdoors

- No masks or social distancing are required for either those vaccinated or unvaccinated.

Indoors

- **Fully Vaccinated (2 weeks past final vaccination):**
 - No masks generally indoors, including during worship in the Upstairs Sanctuary, at your own discretion
 - Masks required in the Fellowship Hall/Downstairs Sanctuary during worship
- **Not Vaccinated (in good faith, per state restrictions, you are encouraged to):**
 - Wear masks indoors including worship either Upstairs or Downstairs
- **Children/Childcare:**
 - Nursery workers and unvaccinated children above two years old, per CDC guidelines, are expected to wear masks.

Indoor Sanctuaries

- **Upstairs:** Everyone is free to sit in the Upstairs Sanctuary (no social distancing required with the above mask policies per vaccination).
- **Downstairs:** Is reserved for those who wish to social distance with masks, such as those who have unvaccinated children and/or who don't wish to sit upstairs for whatever reason(s).
