

CHILDRENS WELLNESS POLICY

In order to protect the health of the children in our care, Cross of Grace Church staff and volunteers will enforce a strict wellness policy. We will not admit a sick child into class. A child who complains of not feeling well needs to remain with their parent, even if no symptoms are present yet. If one of the listed conditions develops while the child is in our care, a parent will be called to take the child out of the classroom.

Please do not check your child into class if he or she is currently experiencing any of the following symptoms, or has had these symptoms within the past 48 hours:

- A temperature of 100 degrees or above
- Diarrhea/Loose or runny stools (unless they are the result of medication)
- Vomiting/stomach ache
- Skin rashes that are suspected to be contagious
- Chicken pox scabs
- Stuffy/runny nose (regardless of color unless they are known to be allergy related)
- Chest congestion or cough (unless they are known to be allergy related)
- Communicable diseases
- Extreme fatigue/lethargy
