Welcome

We are excited to present the 2019-2020 Coral Ridge Concert Series. Since 1972, our church has been committed to producing the finest music for our community and to the glory of God. The church universal has historically been at the center of art and culture. Some of the greatest works of all time came from men and women who believed that the gift of music came from God and was to be used to bless all people. We believe that the church can play a vital role in transforming cities and culture through the production of beautiful music. Our hope is that this Concert Series will contribute to the common good of South Florida and beyond.

The sanctuary of Coral Ridge Presbyterian Church was designed not only as a house of worship, but also as a venue for concerts. We cherish the musical gifts of our choirs, orchestra, soloists, and guest artists. As we continue our long-standing tradition, we invite you to be a part of this Concert Series season. We encourage you to attend, volunteer to serve, and become a sponsor! The Coral Ridge Concert Series would not be possible without your support.

Since 1971, Christian scholarship has been a distinctive quality that has set Westminster Academy apart from all other educational opportunities in South Florida. We hold a deeply-rooted belief that faith and intellect are gifts from God and we apply both as we seek to understand God’s truth in natural and supernatural revelation—the former being found in the created order of the world around us, and the latter being found in His written Word.

To learn more about how this fusion of faith and intellect creates a unique experience in the life of your child from preschool through high school, please visit wa.edu/admissions or call 954.771.4600 ext. 2529 today.
