GOD'S COMPASSION

Jonah 4:1-11

After Jonah lived inside of a fish for three days and three nights, he still had the task of delivering God's message to the Ninevites. By God's grace, an entire city was spared from punishment because they heard Jonah's message and repented of their evil ways. Even after all that, Jonah was still upset with God and his situation. As you listen and read today, be thinking about how GOD'S STORY in Jonah is OUR STORY.

1. GOD'S COMPASSION MAKES US _____.

2. GOD'S COMPASSION POINTS US TO A

_____.

3. GOD'S COMPASSION _____ US.

In a notebook or the margins of your Bible,
write down your answers to some of these thoughts:

- **In what ways can you relate to Jonah?**
- **Why do you think we have a hard time seeing others benefit?**
- **How does this story point you to Christ?**

God's love and compassion is for everyone, but our jealous hearts have a hard time seeing that. The only way our sinful attitudes can change is if we remember that God first showed compassion on us by sending Jesus. Have you asked God to change your circumstances? How about asking him to change your heart?
