

# Sunday Morning Protocols

## Child Health

- Children who have had any of the following symptoms within the past 48 hours are asked to stay at home: fever above 99°F (without fever reducing medication), chills, cough, shortness of breath or difficulty breathing, fatigue, muscle or body aches, headache, new loss of taste or smell, sore throat, congestion or runny nose, nausea or vomiting, or diarrhea.
- If child displays any of the above symptoms, parents will be contacted for pick up.

## Volunteer Health

- Volunteers who have had any of the following symptoms within the past 48 hours are asked to stay at home: fever above 99°F (without fever reducing medication), chills, cough, shortness of breath or difficulty breathing, fatigue, muscle or body aches, headache, new loss of taste or smell, sore throat, congestion or runny nose, nausea or vomiting, or diarrhea.
- Masks are optional for volunteers. Single use mask will be available.
- Volunteers serving with children under the age of 2 yrs will wear smock over clothing.
- Hand sanitizer will be available for frequent use.

## Check-In/Pick-Up

- Volunteer will check-in children at computer.
- Child's hands will be sanitized upon entry into classroom.
- Only essential items in labeled disposable bag in Nursery and Preschool classrooms, e.g., diaper, bottle for infant, pacifier.

## In the Classroom

- Each classroom will be limited to 6-12 children (depending on age.)
- Supplies such as crayons and glue sticks will not be shared between children.
- Toys that a child has put in his mouth will be intercepted and sanitized.
- No food or drink. Water fountains will be turned off.

## Sanitation

All classrooms will be used once each Sunday or sanitized between services; classrooms, toys, surfaces and handles will be cleaned and sanitized between Sundays.
