

1. **GRAY** - Things are not right. Bad things are in the world and in our hearts.

2. **RED** - We can't fix things on our own. God sent Jesus to save us and make things right.

3. **WHITE** - Jesus died for all the bad in our lives and in the world. When we believe this we can know God.

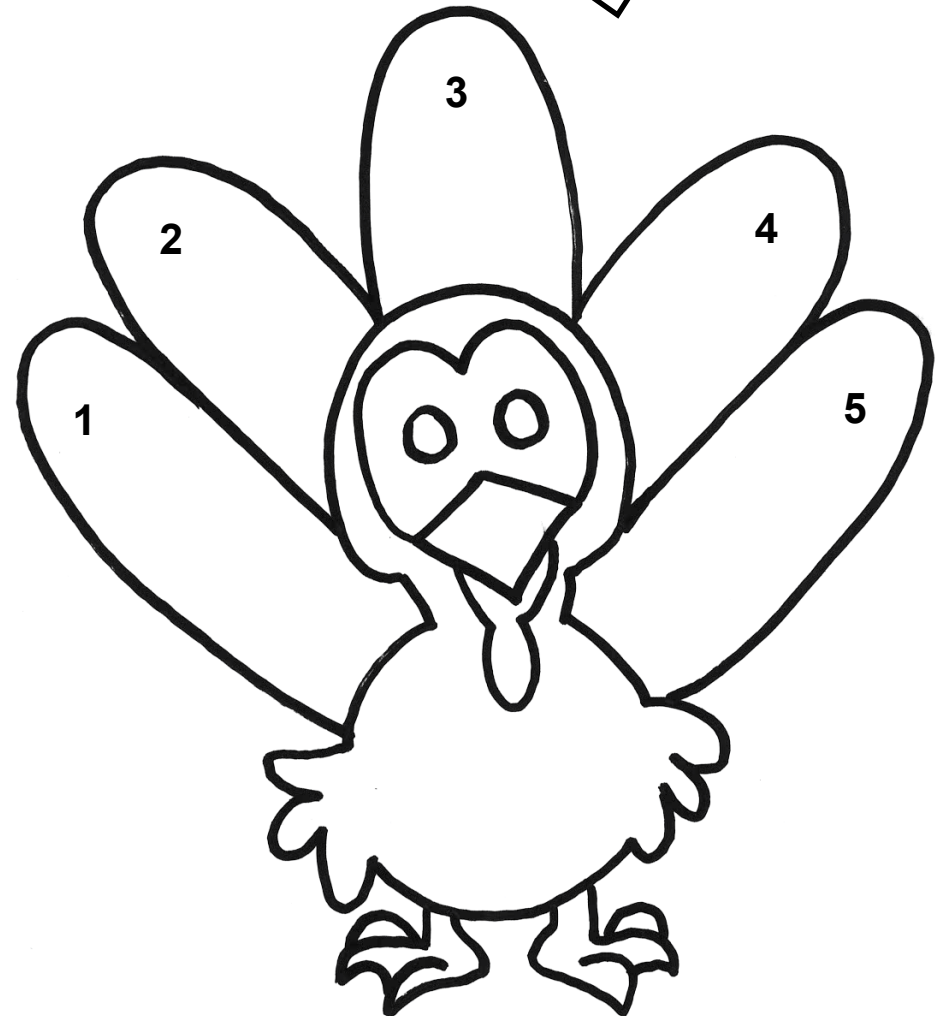

4. **YELLOW** - God gives us new life and promises we will be with Him forever.

5. **GREEN** - When we believe this we change to be more like Jesus. This makes us thankful.

The colors of my feathers have a special meaning.
