

Thanksgiving Box Recipients 2020

One of our greatest joys in the Home Missions department at Cedar Springs is the opportunity to partner with so many incredible organizations, ministries, nonprofits, schools, and government agencies that seek to serve our community. It's a blessing to witness the body of Christ uniting to be His hands and feet for those we get to serve!

The 2020 Thanksgiving boxes will be distributed by many of these organizations, providing opportunities for deepened relationships, showing the love of Christ to those in need. Below is a list of agencies and organizations that we'll be providing boxes to this year.
