

# SAFE RETURN PLAN

**W**elcome to Christ the King Grace Church and our children's ministry programs. Our top priority is the safety and health of your family as your children come to learn and enjoy their time with friends here at church. We are closely monitoring state and local recommendations from officials and health authorities as we ease into offering services for children. We are taking the following precautions and ask all families to follow as well.

- Please keep children home for 14 days if there has been any potential exposure or if any member of the household has (or may have) a suspected or confirmed case of COVID-19.
- As always, please keep children home if there is any sign of illness or fever in the prior 24 hours.
- If a child becomes sick or begins running a fever at any time while under our care, the parent will be contacted immediately and should pick up the child right away.
- We will have limited classroom access. Parents will be asked to remain in common areas only and not enter classrooms.
- All children and leaders will be asked to wash hands upon entry to the children's areas.
- Families are encouraged to leave personal items at home (stuffed animals, blankets, etc).
- Nursery-please 5 diapers and a small pack of wipes in a gallon plastic bag labeled with your child's name.
- Nursery & Preschool- please leave a personal cup labeled with your child's name.
- We will use 6' physical distancing when possible.
- Masks will be worn by leaders in all areas. Leaders and children will wear masks in the K-6<sup>th</sup> grade area.

**Please keep in mind these changes are intended to reduce, not eliminate risk. Thank you for partnering with us in our goal of creating a safe, healthy environment.**
