DRCCC Year-End Report 2016

Dear Del Rey Church:

Praising God for His faithfulness, mercy and grace! DRCCC is doing well.

DRCCC is on mission exposing the Gospel to the families we serve. We serve a diverse group of 65 families from Playa Del Rey and Westchester and surrounding communities such as Inglewood, Hawthorne, Culver City, Marina Del Rey, El Segundo and Playa Vista.

We have truly been covered by God's grace while doing business in this city. We have much to be thankful for. Most recently, we celebrated with Teacher Brenda as she married this year. Teacher London had a baby girl, Noelle. DRCCC is in healthy financial position we hired two full-time teachers and one part-time teacher, and they fit right in with the existing staff. Please continue to pray for our staff: Nancy, Shannon, Judith, Azucena, Brenda, Margarita, Iliana, Cori, London, Mireya and Desi.

We were able to make some physical upgrades to the preschool building thanks to the handy work of Mike Dolan. During winter break, the bathrooms received a new coat of paint, new flooring, and new toilets.

We were also very successful with our fundraising efforts this year! We raised \$1,915.00 this past year. With these funds, we purchased new sleeping mats and tricycles. We could not have reached our fundraising goals without participation from the church congregation, so thank you for your support!

We ask for your continued prayers as we continue to teach Christian truths to the children and their families in our care.

Blessings,

Clara Morales

DRCCC Director
