# TRANSFORMED BY THE TRUTH

## QUESTIONS FOR PERSONAL AND COMMUNITY GROUP REFLECTION

---

1. This August we are celebrating our 60<sup>th</sup> anniversary as a church. As we reflect back on our corporate past, take some time to think of your own history in the church. What are some of your favorite personal memories seeing God's hand move in others/yourself here at Del Rey Church? Share.
2. In the message on Sunday, we studied the Spirit's work of sanctification in the church and within the believer. Thinking of those around you in your Community Group, how have you seen God working in others transforming them? Try to share about those who are there with you, so you can encourage them as you share what you see God doing in their life.
3. As a topical study on the Spirit's work of transformation, we considered a handful of sections of Scripture this Sunday. Of the texts that we turned to in our worship service this Lord's Day and of those that were referenced in the sermon, which ministered to you the most and how? Take out your Bible, read and share the verse(s) that impacted you.
4. In the message on Sunday, we studied the holiness of God and His calling upon His people that they be holy (see 1 Peter 1:16). In your own life and home (family/friends), how are you currently fighting *for* and holding fast to the gospel for greater holiness? What things in your heart and life do you long to see changed, transformed and holy? After sharing and discussing, take time to pray together and seek the Lord for His sanctifying power in your lives.
