## QUESTIONS FOR PERSONAL AND COMMUNITY GROUP REFLECTION

---

1. This August we are celebrating our 60<sup>th</sup> anniversary as a church. As we reflect back on our corporate past, take some time to think of your own history in the church. What are some of your favorite personal memories seeing God's hand move in others/yourself here at Del Rey Church? Share.
2. What has been your longest standing biblical prayer request for something/someone in your life (i.e. something you have been praying for actively—or perhaps on-and-off for—an extended period of time)? Share.
3. Building off the above question, discuss the importance of persistence in prayer. Read Luke 11:1-13 and tie it into your discussion. Personally, how do you resist giving up hope for a prayer item when it doesn't seem like God is answering your request in the way you desire? How do you fight for hope?
4. In the Sunday message, we considered the importance of music and song in our lives as disciples of Jesus. Discuss the role of music and singing in your sanctification. Before becoming a Christian, what role did music play in your life and how did that change after coming to Christ?
5. Given the importance of music/song, God's people have always included it their corporate worship. In light of this, discuss the importance of coming to church on-time and prepared to sing with the church together. What challenges do you face getting to church on-time (or even better—early)? Discuss the benefits of coming early to pray and ready one's heart for corporate song, study, prayer, offering, communion and the study of God's word.
6. Based on our study of God's word together on Sunday, what practical and personal applications can you make in your life? How can others pray for you in this application as you seek to joyfully obey God's word and grow in Christ?
