Shalom from Florida! It's hard to believe, but we are actually starting another new year, 2020. Is it just me or does time seem to go faster and faster these days! As we begin this New Year and people are making resolutions with the hope of starting fresh, I enjoy meditating upon one of my favorite Psalms, Psalm 40:3, "*He put a new song in my mouth, a song of praise to our God.*" What an amazing truth to take hold of. May you exult in the new song that God has given every one of us who has accepted Jesus as their Messiah, Savior and Lord.

Looking back over this past year reminds us of how much the Lord has blessed our ministry here in South Florida and around the country. Unbelieving Jewish and non-Jewish people are hearing the gospel in our two monthly fellowships. We have had the opportunity to preach the gospel in churches throughout the United States, and even abroad.

We are looking forward to the coming year and the opportunities that God will give us to share the gospel even more. One particular event I wanted you to be aware of is our "Fun in the Son" outreach in South Florida this February 3-9. If you can join us, you will have the joy of being in warm weather sharing the gospel in one of the largest Jewish populations in the world. Details are on our website: <https://events.chosenpeople.com/fun-in-the-son/>

Julia and I had a wonderful time with family at the holidays. We are so blessed by our children and grandchildren, and the fact that they are all walking with the Lord. We ask that you would pray especially for our unbelieving loved ones as the New Year begins.

We praise God for your faithfulness in praying for us and for those who are financially supporting our ministry. Your partnership with us is an amazing blessing, and as I like to say, without you we couldn't do what we do. May this be a joyous and blessed year for you and yours. Please be sure to let us know how we can be praying for you.

Yours for the peace of Jerusalem,

Rich and Julia Freeman

FEBRUARY 2020 UPDATE

Shalom from Florida!

With Valentine's Day approaching, February is a month where we especially remember those whom we love. I am blessed to have a faithful and loving wife who is my partner in everything. In Jeremiah 31:3 God declares His love for Israel when He says, "I have loved you with an everlasting love; Therefore I have drawn you with lovingkindness." God's love for His Chosen People is everlasting, and that love is especially demonstrated through Jesus the Messiah. You can't begin to truly understand God's love for you until you understand God's love for Israel. Please pray that Jewish people around the world will respond to that love through the proclamation and receiving of the gospel message.

Ministry in South Florida is a true blessing. We praise God for the many opportunities to share the good news of Jesus the Messiah with the Jewish people of South Florida. Our two monthly Messianic fellowships are going well, and we are meeting unbelieving people, both Jewish and Gentile, regularly. This month we will be having our "Fun in the Son" outreach in South Florida. Please pray that hearts would be touched and souls will be saved.

Please also pray for our Church Ministries Department which Julia manages, that we would see a greater receptivity among the churches especially as we come into the Passover/Easter season. It is a vital part of what Chosen People Ministries does. The Messiah in the Passover presentation is an incredible evangelistic message about Jesus, the Passover Lamb. If you would be interested in having myself or one of our representatives speak at your church, you can contact Julia at jfreeman@chosenpeople.com.

Our family is doing well. Our children and grandchildren continue to give us great joy and blessing. Please pray for their health and safety. We praise God for you, our partner in ministry, without whom we couldn't do what we do. May all God's blessings be yours in abundance. May 2020 be an extra-special year of blessings for you as you experience God's love.

Yours for the peace of Jerusalem,

Rich and Julia Freeman

MARCH 2020 UPDATE

Shalom from Florida! The busy Passover season is once again upon us and I will be doing an extensive amount of traveling over the next two months. Please keep me in your prayers regarding my physical strength during this grueling time of travel.

The message of Passover is a message of redemption, redemption by the blood of the lamb. That is the message our staff will be bringing to churches all around the country. Please pray that hearts would be touched and that people, Jew and Gentile alike, would respond to the clear gospel message. As Paul wrote in 1 Corinthians 5:7, “For Christ, our Passover lamb, has been sacrificed.” If you would be interested in having myself or one of our representatives speak at your church, you can contact Julia at jfreeman@chosenpeople.com.

Ministry in South Florida is a true blessing. We praise God for the many opportunities to share the good news of Jesus the Messiah with the people of South Florida. Our two monthly Messianic fellowships are going well, and we are meeting unbelieving people, both Jewish and Gentile, regularly. This prayer letter was written prior to two events which happened here in late January and early February. The first was a conference entitled “To The Jew First?” which helped explain the biblical priority of Jewish evangelism. The second was our “Fun In The Son” outreach which took the training and teaching of the first event and made practical application as twenty-five people went with our staff and shared their faith on the streets of South Florida. Pray for hearts that were touched with the gospel.

Our family is doing well. Our children and grandchildren continue to give us great joy and blessing. Please pray for their health and safety, especially our son Joel and his family in East Asia.

We praise God for you, our partner in ministry, without whom we couldn't do what we do. May all God's blessings be yours in abundance. I pray that 2020 will be an extra-special year of blessings for you as you experience God's extravagant grace and love.

Yours for the peace of Jerusalem,

Rich and Julia Freeman
