

Discussion Q's:

1-Let's get the elephant out of the room. What do you guys think about modern day prophecy? What have you heard about it; what experiences have you had with it?

2-Of the gifts defined in this session, did you think that one may fit you?

3-Of the gifts defined in this session did you think that one may be present in someone else in your group?

4-Have you seen any of the gifts we covered today in action or been ministered to by someone with one of those gifts?

5-How are the gifts we discussed today rallied around and tethered to Scripture?
