

Discussion Q's:

1-Which of the gifts covered today have you seen in action?

2-Can you think of an instance in your Christian life where knowledge was insufficient and you required wisdom?

3-Does evangelism come easily for you or is it something that is burdensome? Or maybe you don't know if it is easy or hard for you because you talk yourself out of actually doing it...?

4-Along the same lines as the last question...Do you think that it is possible for someone to have a spiritual gift and not know it because they aren't obedient to some general biblical commands?

-E.G. someone with the gift evangelism may never discover that they have that gift if they're never obedient to evangelize. Someone with the gift of pastor/shepherd may never discover that they have that gift if they're never obedient to the command to make disciples.

5-After considering question 4, what are the areas of disobedience in your life, and could it be that walking in obedience in those areas may actually uncover your spiritual gifting?
