

Thrive Session 1:: v.1-16

Part 1:

1. How would you describe your life right now? Are you just surviving? Or would you say that you are thriving?
2. Do you believe that it is possible to live a life here on earth that thrives? Why or why not?
3. What is your opinion on the idea in verse 1-3 that complete happiness is found in holiness?
4. Where are there patterns of sin in your life that could be holding you back from thriving? What's the next step you can take to combat those sin struggles?

Part 2:

1. "Keeping your way pure looks like a high view of God's Word." How would you describe the way you view the Bible? How does that affect the way you live?
2. Re-read Matthew 5:19. Now skim the next couple chapters of Matthew where Jesus is preaching. How have you (or maybe our surrounding culture) "relaxed" some of these commands of Jesus?
3. Blamelessness is essential to blessedness. We become blameless by grace through faith in Jesus. How *should* this affect the way we live? Honestly, how *does* this affect how we live?
