

LEARN

Read Galatians 4:8-20 together. What stands out in this passage and what was helpful or challenging in the sermon on Sunday?

Why is Paul afraid he may have labored over the Galatians in vain? What are they doing (or not doing) that causes him to feel this way?

What is “the truth” Paul is referring to in verse 16? Why does it seem to Paul that he is becoming their enemy for giving them the truth?

PRACTICE

What are the types of attitudes, actions or beliefs that show someone is returning to “worthless” things instead of enjoying freedom in Christ?

Doing right things and performing religious deeds can be a tool of Satan to keep people away from Christ. How can you be careful not to equate right actions as the foundation of your righteousness before God?

How can a Christian be confident Christ is being formed in them? How does Galatians 1 – 4 help you answer that question?

CHANGE

One way to understand growing in Christian maturity is “Christ formed in you” (v. 20). What is an area of your life that needs to be formed by Christ more than it is now? How will that happen?
