

## Small Group Questions

6/4/17

### 1. REVIEW THE SERMON

What stood out to you from the message this week?

How have you thought about the word “antichrist” in the past? According to 1 John, what does it mean to be antichrist today? (i.e. someone who doesn’t confess Jesus as the Messiah)

### 2. ASSESS YOUR LIFE

On a scale from 1-5, how would you assess your grasp of God’s word? (1-barely; 2-improving; 3- sufficient; 4- above average; 5- exceptional)

What does it mean to have God’s word abide in you?

### 3. APPLY THE TRUTH

**\*Leaders, you are encouraged to use these questions during the large group discussion time. If one stands out to you as particularly good for accountability time, hold it from large group time and use it in accountability.**

If you’ve confessed Jesus Christ as Lord and Savior, you know you have the Holy Spirit. The question is: does the Holy Spirit have all of you? In what areas can He have more involvement in your day-to-day life?

Would you say you’ve made it a priority in your life to see that the word of God abides in you? If not, what would that look like if you did?

What are you doing this week to let God’s word abide in you? Give specific examples (meditate, memorize, study, read)
