Introduction:

I. Face death with Faith in the Character of God.

II. Face death with Faith in the Promises of God.

III. Face death with Faith that Your Dying is not about you.

Questions for reflection:

- *What do you tend to think about more than the character of God?*
- *Is God Himself enough for you? What are you living for right now?*
- *How can you be discipling the next generation in the promises of God?*
