TO KNOW CHRIST THAT ALL MAY KNOW HIM

*As we enter a holiday built around giving thanks, what are you thankful for? If we went through our entire lifetime and counted our blessings, there wouldn't be enough fingers and toes in the world to count them all! Let's keep it simple. Go back in your mind to January of 2021. Think of all that you can thank God for in just this last year. Write them each down on a piece of paper. As we start the month of November, on each day, take a minute to thank God for just one of those blessings. Spend time reflecting on it and praising God for allowing that blessing in your life. Many times, we are eager to thank God for giving to us but fail to recognize Him when He takes away. These circumstances can also be tremendous blessings to thank God and bless His name for! Job realized this as well. "And he said, "Naked I came from my mother's womb, and naked shall I return. The Lord gave, and the Lord has taken away; blessed be the name of the Lord." Job 1:21*
