#### **Three Ways to Live by Faith**

1. Be perfected by the Holy Spirit.
2. Suffer in Faith.
3. Know that faith makes you part of God's family.

#### **Discussion Questions:**

1. Recall how you came to faith in Jesus. If you do not trust in Jesus yet, describe where are you right now in your journey toward God.
2. Read Galatians 3:1-3. Paul argues that the Galatians should be perfected by the Spirit through faith, not the law. Have you observed a difference in your own life between growing by faith through the Spirit and trying to grow by your own human effort? What was each experience like?
3. Read Galatians 3:4. Paul wanted the Galatians to know that when we suffer in faith, it is not in vain. The Bible teaches that suffering in faith produces perseverance and maturity. Have you observed this to be true in your own life or the life of someone you love? Please share.
4. On Sunday, Luke said that we should be intentional about growing in Christ. What are some ways you can be more intentional about growing in your relationship with Christ?
