1 Corinthians 9:24 – 10:13 | EFree Church Diamond Bar

Icebreaker: What are one or two things you would like to praise God for doing in your life recently?

Read 1 Corinthians 10:1-5.

1. Paul explains that The Israelites “were overthrown in the wilderness.” This means they never made it to The Promised Land because they gave into temptations to sin in the wilderness. What are some of the common temptations we face, and what good things might we miss out on when we give into them?

Read 1 Corinthians 10:6-11.

2. The Israelites suffered when they gave into temptations to sin. What are some of the consequences of sin that we don't always think about when we're being tempted?

Read 1 Corinthians 10:12-13.

3. Paul says that God will provide the way of escape when we are being tempted. Has there been a time when God helped you resist a temptation? If you're comfortable sharing, explain how God helped you escape the temptation.

4. After reading this passage, do you have a fresh perspective on temptation? If so, how will you face temptation differently after reading this passage?
