Discussion Questions:

1. Read 2 Timothy 4:9-13. The missionary Paul asks Timothy to visit him and to bring him supplies. Have you ever had the opportunity to visit a missionary and/or to supply a missionary with what they need for ministry? If yes, please share about the experience. If no, please share about a way God might be calling you to care for a missionary.
2. Read 2 Timothy 4:14-15. Paul warns Timothy to watch out for a man who opposed their message. What types of opposition should we watch out for when we commit to caring for missionaries?
3. Read 2 Timothy 4:16-18. Paul says that the Lord stood by him and strengthened him when no one else was there. How does it effect our attitude and outlook when we remember that God is the One who ultimately cares for missionaries, and God is the One who will accomplish the great commission?
4. How might God be calling you to care for missionaries differently after reading these verses?
