Discussion Questions:

1. Share something unexpected that happened to you during the Christmas season, whether good or bad. How did you respond?
2. Read 1 John 4:7-21. Verse 10 tells us that God sent His Son to be the propitiation (i.e. satisfaction) for our sins. Many other religions teach about the need to satisfy God. How does Christianity differ?
3. Read verses 11-12 again. Consider the following statement: "It is only when a person loves his fellow Christians that he fully experiences the love of God in his own heart." How have you experienced this in your life?
4. Share one way that you can tangibly love others in the coming year.
