

Come and Worship the Newborn King
Luke 2:13-14

Discussion Questions:

1. Read Luke 2:8-14. Consider the following verse from the classic Christmas song Angels from the Realms of Glory. What theological truth do we see in this verse? (hint: see 3rd line)

“Shepherds, in the field abiding
Watching o’er your flocks by night
God with man is now residing
Yonder shines the infant light

2. In what ways can our current circumstances (i.e. pandemic) help to focus our minds on the true meaning of Christmas?
3. The great cost of Christmas is the fact that Jesus was born to die. He sacrificed himself for us. How can we apply this attitude of sacrifice in our own lives, especially during this season?
