Hebrews 1:1-4

Discussion Questions:

1. Read Hebrews 1:1-4. Consider the following phrase at the end of verse 2...“through whom also he created the world (ESV).” What does this tell us about Jesus Christ’s role in creation? See also Genesis 1:26, Colossians 1:16, and John 1:3.
2. What erroneous views of Jesus Christ have you heard from others over the years?
3. If you were asked to describe the person of Jesus Christ to someone who does not know him, what are some things you would share?
4. With Easter under six weeks away, what is a tangible way you can encourage someone (e.g. loved one, neighbor, coworker, fellow student, stranger) with the love of Jesus?
