Discussion Questions:

1. Read Galatians 5:22-23. What words come to your mind when you think of the word **faithfulness**?
2. The Fruit of the Spirit must be viewed in the context of **one another**. How we approach life, in other words, how we approach our calling, our purpose, and our responsibilities all have a ripple effect on those around us because we aren't living for ourselves. Share an example of this truth.
3. Read 2 Timothy 4:2, 7. The Apostle Paul was faithful to his calling in advancing the Gospel. He did not get "sidetracked" by his circumstances. What circumstances can sidetrack us from faithfully fulfilling our calling as ambassadors of Jesus Christ?
4. During this or any political season, God remains sovereign, and He calls us to remain faithful. How can God use you to manifest the love of Jesus this coming week, especially in light of this emotional season?
