Discussion Questions:

1. Read 1 John 2:18-19. What images come to mind when you hear the word **antichrist**? In what ways has “Hollywood” shaped society’s understanding of antichrist?
2. According to Bible commentator, Warren Wiersbe, we can understand **antichrist** in the following three ways...
  - A spirit in the world that opposes or denies Christ
  - The false teachers who embody this spirit
  - A person who will head up the final world rebellion against Christ

In what ways do we currently see antichrist working in the world based on the first two understandings of the word?

3. Read 1 John 2:20-25. Why is it important to stay grounded in the teachings of the Apostles? What are potential dangers in relying on new revelations?
4. Read 1 John 2:26-27. The more we rely on the Holy Spirit, the less we will be deceived by the world’s system (a system at odds with God), and the more we will abide in Christ. What are some practical things that have helped you stay grounded in your faith?
