

Pursuing Peace
Galatians 5:22-23
October 4, 2020

Discussion Questions:

1. Read the following passages in Galatians: 2:11-14, 3:28, and 5:22-26. What tensions do we see in the body of Christ today that parallel the tensions that the Galatians faced?
2. When it comes to handling serious conflicts, we might be tempted to “fight” or “flee.” The better approach is to pursue reconciliation. What factors might contribute to making reconciliation difficult?
3. Read Ephesians 4:1-3. Consider the following quote: “In this polarizing season, we have an opportunity to demonstrate the heart of Jesus to a watching world” (Kevin Kompelien, President, EFCA). How can you demonstrate the heart of Jesus this week!
