Discussion Questions:

1. What are some things in life you find joy in?
2. At times, joy and happiness might overlap, but joy can be present even when happiness is not. Share an example of how Christian joy can be experienced even in the absence of happiness.
3. Read Galatians 5:22-26. What tensions do we see in the body of Christ today that parallel the tensions that the Galatians faced?
4. If we are finding it difficult to experience joy at the present time, we might ask ourselves three questions: (1) Are we devoting time to God? (2) Are we supporting one another in the body of Christ? (3) Are we spreading the good news? Spend time praying together and ask God to help you in these areas.
