Discussion Questions

1. Read Numbers 13:25-29. In the preceding verses, we are told that Moses sends twelve men to explore Canaan. He wants to know what the land is like, if the people who live there are strong or weak, if the land is walled or unfortified, if the soil is fertile or poor. What report do ten of the spies bring back?
2. Read Numbers 13:30-33 and 14:8-9. Caleb and Joshua saw the exact same things that the other ten spies saw. Why did they have a different attitude than the ten?
3. Three lessons we can learn from this account of Caleb and Joshua's faith are...(a) Live by faith, not by sight, (b) Live by faith, not by fear, and (c) Live by faith, not by doubt. Why is it difficult for some Christians to manifest these truths in their lives? Give examples if possible.
4. In your own life, how is God calling you to demonstrate greater faith in any or all of the three areas mentioned above?
