---

③ **How does Titus 2:11-12 encourage you to see holiness as that which is actually possible?**

- *According to Titus 2:11-12, what produces both salvation and sanctification?*
- *Why is it so crucial to have a “big & biblical” view of the gospel?*
- *Have you ever struggled with thinking that holiness (i.e. practically living for God) is just too hard?*
- *As a group, discuss what are the various graces of God given to the Christian so that you can live a holy life?*
