Jesus is Equal with God {Part 1} | John 5:17-30

① **How did our time in the Word on Sunday help you to better understand John 5:17-30?**

- *How were you encouraged to live for Jesus because of what was preached on Sunday?*

② **Why must followers of Christ know Jesus better?**

- *Practically, how does knowing Christ better help us live more fully for His glory?*
- *Theologically, how does knowing Christ better help us see and stand against false doctrine?*
- *What are some false doctrines regarding Jesus that we see around us today?*
- *What is the problem with getting Jesus wrong (even just a little bit)?*

③ **What does it mean the God of the Bible is Trinity in Unity?**

- *DISCUSS: The nature of God is something only known through the Word of God. So, we must dig into the Word of God if we want to rightly know God. The wisdom of this world will be of no help at all to rightly know God.*

④ **Why is it significant that God loves God in John 5:20?**

- *Why don't we talk much today about the love that God has for himself?*
- *Why is it comforting when we realize that God's love has its foundation in His character, not our loveliness?*

⑤ **What can we learn from Jesus' total dependence upon the Father?**

- *How did Jesus "walk by the Spirit" and actually live out dependence upon the Father?*
- *If Jesus needed total dependence upon the Father, what does that mean for us today?*
