Jesus is Equal with God {Part 4} | John 5:17-30

① **How did our time in the Word on Sunday help you to better understand John 5:23?**

- *How were you encouraged to live for Jesus because of what was preached on Sunday?*

② **How is worship often misunderstood today?**

- *How does Exodus 20:1-4 help us understand biblical worship?*
- *Why must you think rightly about God in order to worship Him rightly?*
- *What are some other passages in the Bible that help us think rightly about the topic of worship?*

③ **How are honor and worship connected in John 5:23?**

- *How does the word honor affect how you think about worship?*

④ **Why does it matter if Jesus demands to be worshipped as God?**

- *According to Isaiah 42:8, 43:11, 44:6, 45:21 - who alone is God and must be worshiped as such?*
- *How do we respond to those who refuse to worship Jesus as God (even those who accept him as a good moral teacher, prophet, etc.)?*

⑤ **What does it mean to live a life “honoring the Son”?**

- *Clearly, “honoring the Son” is more than just words (Isaiah 29:13). So then, what does it mean to live a life that “honors the Son”?*
