Club 45

Club 45 is a group for 4th and 5th graders meeting at the same time as our Youth Group and Sunday Night Discipleship Classes. These kids are at such a great age; excited about learning, ready to have fun, and full of energy! At our first Club 45 meeting of the semester we squeezed in a lot of activities in a short period of time. This semester we will be using a series called BOLT Super-Charged for Life. This curriculum is Bible centered, Outreach focused, offers opportunity for Life skill learning and aimed to be a Transformation experience. We started a four part series focusing on What is the Church? This week we discussed how the church is not about the building, but about people who build each other up. We explored Acts 2:42-47, Hebrews 10:24-25 and 1 Peter 2:4-10 and learned that people of the church come together to worship God, serve the needs of others, and share the story of Jesus. We also discussed how we as members of Club 45 can build up others at Faith and we started putting our ideas into action by encouraging our friends in church leadership.

For Parents: The Culture Translator weekly email. This is a great resource for finding out up-to-the-moment influences in your child or teen's world, and how to start good conversations about it.

For Kids: The Good Book Company for Kids has wonderful, gospel saturated books for kids. Enjoy some read-aloud time together!

Sunday Night Discipleship

Sundays that Youth Group and Club 45 take place, adults are encouraged to attend an evening class with Pastor Kevin. The current topic is: **Theology for Life: A practical and relevant exploration of our beliefs, using our confession of faith as a guide**. This study is excellent training for teachers, leaders, or anyone who wants to grow in their faith

Cold and Flu Season!

With cold and flu season upon us we have updated our Well-Child Policies and are making them available on-line at our church website. Please keep your family at home if they have any cold or flu symptoms! We are using hospital-grade cleaning products to sanitize surfaces in our classrooms; children have their own box of supplies and assigned seats during Sunday School. And individual fidget buster bags are available for Sunday mornings.
