Save the Date: Women's Salad Supper, Saturday, May 4, 6:00 p.m. at the home of Kelly Shore. Watch for an invitation coming next month.

Gainesville Community Ministries: Drop off nonperishable goods and/or hygiene products in the basket in the foyer of the church, at any time.

Key Scripture Verse for The Year

I have loved you with an everlasting love, therefore I have continued my faithfulness to you. Jeremiah 31:3b

Thought for the Month: “We are His house, His family, His gathered people. The people and the house we serve are not ours; they are His. It is vital that we live and minister in accordance with His Book. This is completely counterintuitive in our pragmatic culture. We want to minister in our way.” Ligon Duncan & Susan Hunt
